**APRIL 22 MEETING**

Since this *Information Window* is being written *on* the 22<sup>nd</sup>, we'll have to put it in the past tense; it was a superlative slide presentation of Wantagh landmarks by two of our Society members, as sort of a "Coming Attractions" for their Wantagh Guide Book, which they hope will be published by the Society. The audience was much impressed (we hope), and applauded wildly.

After the show, we all enjoyed goodies provided by Theresa Donahue's refreshment committee. 

**SPRING GARAGE SALE**

The real point of this *Information Window* is to let everyone know about our Spring Garage Sale, which is coming up on May 17. This will follow the format we have used for a number of years, with many vendors displaying all sorts of wares for us to enjoy, and hopefully, buy to take home for further enjoyment.

As usual, there will be snacks available in the kitchen of the museum, and both the Museum and our observation car, the "Jamaica" will be open for display. Our original Wantagh Post Office will be available for admiration, but the interior is not yet ready for display. (You can peek in the windows, though.)

The fun will begin at 10:00 A.M., and if you stay through lunch and the afternoon excitement, we'll wrap it up at 4:00 P.M. After that, the vendors and clean-up crew will take over.. 

**WHAT HAPPENED TO FEB AND MAR  
 ?**

The February and March *Information Windows* are irretrievably lost, as a result of the editor's careless "housecleaning" of his computer. Even the Preservation Society mailing list had to be re-entered, and things were also complicated by the *Vista* operating system of the replacement computer. We're practically back to normal now, thank you.
